FLOOD HAZARD NOTICE

(Notice Of Special Flood Hazards and Availability Of Federal Disaster Relief Assistance)

Applicant(s):	Lender:
---------------	---------

You have applied to us for a loan secured by real estate or a mobile home in the amount of _____ located or to be located at:

NOTICE 1: Notice to Borrower of Special Flood Hazard Area

We are giving you this notice to inform you that:

- The building securing the loan for which you have applied is or will be located in an area with special flood hazards.
- The mobile home securing the loan for which you have applied is or will be located in an area with special flood hazards.

The area has been identified by the Director of the Federal Emergency Management Agency (FEMA) as a special flood hazard area using FEMA's Flood Insurance Rate Map or the Flood Hazard Boundary Map for the following community: _____ . This area has at least a one percent (1%) chance of a flood equal to or exceeding the base flood elevation (a 100-year flood) in any given year. During the life of a 30-year mortgage loan, the risk of a 100-year flood in a special flood hazard area is 26 percent (26%).

Federal law allows a lender and borrower jointly to request the Director of FEMA to review the determination of whether the property securing the loan is located in a special flood hazard area. If you would like to make such a request, please contact us for further information.

NOTICE 2: Notice to Borrower about Federal Disaster Relief Assistance (The ONE section indicated below applies to your application. Please read carefully.)

- The community in which the property securing the loan is located participates in the National Flood Insurance Program (NFIP). Federal law will not allow us to make you the loan that you have applied for if you do not purchase flood insurance. The flood insurance must be maintained for the life of the loan. If you fail to purchase or renew flood insurance on the property, federal law authorizes and requires us to purchase the flood insurance for you at your expense.
 - Flood Insurance coverage under the NFIP may be purchased through an insurance agent who will obtain the policy either directly through the NFIP or through an insurance company that participates in the NFIP. Flood insurance also may be available from private insurers that participate in the NFIP.
 - At a minimum, flood insurance purchased must cover the lesser of:
 1. The outstanding principal balance of the loan; or
 2. The maximum amount of coverage allowed for the type of property under the NFIP.Flood insurance coverage under the NFIP is limited to the overall value of the property securing the loan minus the value of the land on which the property is located.
 - Federal disaster relief assistance (usually in the form of a low-interest loan) may be available for damages incurred in excess of your flood insurance if your community's participation in the NFIP is in accordance with NFIP requirements.
- Flood insurance coverage under the NFIP is not available for the property securing the loan because the community in which the property is located does not participate in the NFIP. In addition, if the non-participating community has been identified for at least one year as containing a special flood hazard area, properties located in the community will not be eligible for federal disaster relief assistance in the event of a Federally-declared flood disaster.

NOTICE TO THE HOME LOAN APPLICANT CREDIT SCORE INFORMATION DISCLOSURE

APPLICANT(S) NAME AND ADDRESS	LENDER NAME AND ADDRESS (ORIGINATOR):

In connection with your application for a home loan, the lender must disclose to you the score that a consumer reporting agency distributed to users and the lender used in connection with your home loan, and the key factors affecting your credit scores.

The credit score is a computer-generated summary calculated at the time of the request and based on information a consumer reporting agency or lender has on file. The scores are based on data about your credit history and payment patterns. Credit scores are important because they are used to assist the lender in determining whether you will obtain a loan. They may also be used to determine what interest rate you may be offered on the mortgage. Credit scores can change over time, depending on your conduct, how your credit history and payment patterns change, and how credit-scoring technologies change.

Because the score is based on information in your credit history, it is very important that you review the credit related information that is being furnished to make sure it is accurate. Credit records may vary from one company to another.

If you have questions about your credit score or the credit information that is furnished to you, contact the consumer reporting agency at the address and telephone number provided with this notice, or contact the lender, if the lender developed or generated the credit score. The consumer reporting agency plays no part in the decision to take any action on the loan application and is unable to provide you with specific reasons for the decision on a loan application.

If you have questions concerning the terms of the loan, contact the lender.

The consumer reporting agencies listed below provided a credit score that was used in connection with your home loan application.
